Data Privacy Consent Form

Consent to the Collection, Monitoring, and Processing of Personal Data

In compliance with the Data Privacy Act of 2012 (Republic Act No. 10173), I hereby voluntarily give my consent to **ALAS, OPLAS & CO., CPAs** to collect, record, monitor, store, update, retrieve, and process my personal data in connection with the assignment, usage, and management of company-issued IT assets.

Personal Data to be Collected and Monitored

- Employee Information (Name, Position, Department, Contact Details)
- Asset Assignment Records (Laptop, Desktop, Mobile Device, Peripherals, Software Licenses)
- Hardware Performance Data (GPU usage, CPU load, memory utilization, device health)
- Screen Activity (periodic or real-time screenshots of employee screens for compliance and security monitoring)
- Usage Logs (login credentials, access history, internet browsing activity, system activity)
- Software Compliance Records (installation, licensing, patching, and updates)
- Maintenance and Support Records (repair history, replacement requests, IT tickets)
- Security Monitoring Data (malware detection, unauthorized access attempts, policy violations)

Purpose of Data Collection and Monitoring

The personal data collected and monitored will be used for:

- Tracking and monitoring company-issued IT assets
- Ensuring compliance with IT policies, software licensing, and security standards
- Monitoring GPU and system performance to optimize resource allocation and prevent misuse
- Capturing screen activity to ensure compliance with company policies, detect unauthorized activity, and protect sensitive company data
- Detecting and preventing unauthorized or malicious activity
- Facilitating maintenance, support, and replacement of IT assets
- Conducting audits, inventory checks, and compliance reporting
- Regulatory and legal compliance, including cybersecurity and data protection requirements

Data Privacy Consent Form

Data Protection

- All personal data will be stored securely in the IT Asset Management System and accessed only by authorized personnel.
- Monitoring activities will be conducted strictly for legitimate business and security purposes.
- Data will not be shared with third parties without prior consent, unless required by law or regulatory authorities.
- Retention of data will be limited to the period necessary to fulfill the stated purposes.

Rights of the Data Subject

As provided under the Data Privacy Act, I am entitled to:

- Access my personal data stored in the IT Asset Management System
- Request correction of inaccurate or outdated information
- Withdraw consent at any time, subject to company policies and regulatory requirements
- File complaints with the **National Privacy Commission (NPC) of the Philippines** for any violation of my data privacy rights

Disciplinary Action Clause

I understand and acknowledge that:

- Any misuse, abuse, or unauthorized use of company-issued IT assets, including but not limited to installation of unlicensed software, accessing prohibited websites, tampering with system configurations, or engaging in activities that compromise data security, constitutes a violation of company policy.
- Such violations may result in disciplinary action, which may include written warnings, suspension of IT privileges, financial liability for damages, or termination of employment, depending on the severity of the offense.
- Monitoring records and audit logs may be used as evidence in administrative or disciplinary proceedings.
